HOPE EVERYONE IS COOL!!!

On July 1<sup>st</sup> we were rewarded with the pleasure of seeing the fruits of our labor for the last year, by giving checks to organizations that help so many people. Each of them were thankful for our help and as each one gave a “thank you” to all of us. it made us feel good to know that our labors are not for naught.

Good Job LAKE TANSI EXCHANGE CLUB!!!

At our July 15<sup>th</sup> meeting our guest speaker was Denise Weaver, L.C.S.W., Ph.D, who talked about a vision for a projected three years out. Her vision is a home for a residential treatment home for adolescent children, to be called “Jonah’s Joy”. She is the Founder/Executive Director. The vision is to create a residential environment where children and families are taught to establish positive generational changes that replace cycles of abuse and neglect. This is a lifelong dream of Dr. Weaver, and something that she’s working hard to accomplish. We wish her luck in her endeavors. At the moment she does counseling and helps abused, neglected adolescent girls to have a safe therapeutic faith based program.

Mike Ferry submitted his resignation as treasurer. Mike has served in this capacity since 2002 and feels that it’s time for someone else to **STEP FORWARD**. Thanks Mike for all the time you’ve given.
