December 2016

Wow, the month of November has flown by and December is upon us. A lot of our folks have already gone South for the winter, and those of us left here are still praying for some rain!!! My husband, who reports the weather every morning, says he's reported 1.45 inches of rain since the first of September.

Our November 4th meeting was a rather busy one. Ben Whitson reported that he had done a (non official) audit of the books and did not see anything that warranted a full audit. He said the books meet all the requirements and that he felt good with the way they've been kept.

Don Wright, past president of the National Exchange Club gave a talk on the work the exchange club is doing and where the money goes that is sent to National from our local dues. I have a copy of his full speech, if anyone is interested I'll be glad to furnish you with a copy.

We gained a new member. Jena DeMars. Her email is jena.demars@tratcrossville.edu. Address is: 2885 Vandever Road, 38572. Phone 931-788-5898. Her husband's name is Zach, and her birthday is 5/15/83.

The One Nation Under God breakfast was a great success. There weren't as many attendees this year, but Maureen and her committee did a fantastic job. I know I heard this year that it was just for veterans. I had invited a couple of people but after I heard that I went back and un-invited them. This could be a reason for the small turn out.

November 18th meeting

Judi read a letter from the Second Harvest Food Bank thanking us for the donation that will help Brown's School provide food for kids for the weekend.

THINGS TO REMEMBER:

Stephens Center Christmas for the kids is coming up December 13th. Tina Ferry is chairing this event and Brandi reported there are about 40 kids this year. If you're scheduled to help her, keep the time and date on your calendar. Setup is at 5:00, meal 6 or 6:30. That's at the United Methodist Church.

We will be providing gifts and helping senior citizens at the Life Care Center on January 4th for Bingo. That should be very exciting.

Still need a President Elect!!

December 16th, 2016 is the Lake Tansi Exchange Club's 30th Birthday. We will celebrate that at our next meeting which is December 4th with a breakfast. So, for all you members who haven't attended in a while, this is your chance to see everyone and have a little breakfast. We will only meet this one day in December, so you'll have the opportunity to wish everyone a Seasons Greeting. Our next meeting will be January 6th, 2017, with possibly a speaker.

Judi asked that I announce that if anyone is interested in working on the scrapbook to get with Judi Elam. There are some events that can be worked on during the winter months.
