Club #2359 Div XII TN-KY -- Linda Carothers, Editor  
LTEC meets the 1st & 3rd Fridays of each month at 7:30 AM at the Hiawatha Center

JULY, 2016

Hope everyone is surviving the heat and being thankful that you're in Crossville, Tn rather than some places in the west.

I thought May was full, but June turned out to be equally busy.

We had a new member join us the first meeting in June. Tim Witherite. They have lived here a couple of years, having moved from Florida. Tim is a retired fireman. We welcome him to the Club.

I didn't get to attend but understand the Convention at Falls Creek was a huge success. Mark Thompson was the featured speaker, and if you haven't had an opportunity to listen to Mark, he's one of the best motivational speakers I've heard. Jerry and Sheila's daughter, Becky, talked about some of the problems kids face in today's society.

Gus Gocella gave a video presentation of one of his trips carry Veterans to Washington, D.C. What a service he is providing to our Veterans. Thanks, Gus. And, of course, Murch, the dog was a hit among the attendees.

The scrapbook won the Scrapbook Award, and the Motivator won the Club Bulletin Award. So, Congrats to US.

Betty had a meeting at the Thunderbird on June 9<sup>th</sup> to discuss the trip she's planning for next year. She ended up booking 14 or so cabins that evening. She has informed

me that as of this morning that she has now booked 31 cabins and has requested more allocations. Not sure if she will get it, but if you're interested and haven't booked already, you might check with her.

The Exchange Club Golf Tournament went off without a hitch, as far as I know. We ended up with 32 teams. We couldn't have asked for better weather, it was perfect. The tournament itself made somewhere around \$8,200. The beer cart and snack cart did very well, bringing in around \$600. Purchasing the beer was made possible by private donations, so what we made should have been clear profit. I'm not sure if that's included in the \$8,200, but would assume so. So, in not too many months, next year's tournament will be in the planning. So everybody rest up from this one and be prepared to "hit it again".

At the June 17<sup>th</sup> meeting new officers were installed. Officers: Judi Hartman, Maureen Hanson, Judi Elam and Jerry Davenport. Board Members: Les Elam, Betty Quast, Fred Roehlig, John Lyon, Jack Callahan and Larry Robertson. Ashley Wright, The District Director, and President Elect for the district, was on hand to administer the oath of office to each.

We also had a speaker, Holly Hanson, Director of Cumberland Business Incubator at Roane State Community College. The CBI provides an environment for development of new business ideas and growth of existing businesses. The services they offer are outstanding. Their website is: [cbi@roanestate.edu](mailto:cbi@roanestate.edu)

### ***Editor's note:***

I asked Judi to forward an email to everyone asking for information on birthdates, anniversaries, address, phone numbers, etc. I've had a fairly good response, but just to let you know, those of you who haven't responded, I'll be giving you a call to get it if you don't hurry and respond. So, unless you want a phone call from me, please respond to the email.

### **Prayer Request**

Please keep Rich Holton in your thoughts and pray, as well as Mary Lou.

John Lyon gave everyone quite a scare at the convention, but he was back ready to help out at the tournament on Saturday. John, we all say please take care of yourself, and we pray that you recover fully.

Also, for everyone traveling this summer, whether vacations, family events, whatever, we pray for your safe travels.
