MAY 2017

I'm not sure where the month of April went, but I woke up this morning and realized it's May 1st and I haven't put out a Motivator. Sorry, but there was just too much going on.

We had the Blue Ribbon Ceremony in April which was a great success. The pinwheels that members put out were awesome. I can remember seeing those around the state for several years but had no idea what they represented.

We had the Spaghetti dinner this last Friday night, the 28th, and what a success it was. Made close to \$3,000. Of course, as with any event there were lessons learned and Judi will be working on those for next year. But a tremendous showing and a great group of people from setup to finish.

So, May brings us more things to do. Friday, May 5th is orientation, so attend if at all possible.

May 26th and 27th will be the Memorial Day festivities at the park area. I understand we will have a booth, so be thinking of which day you'd like to work.

Also, the golf tournament is approaching, June 3rd, and plans are coming together. If you have friends who plan on playing and haven't signed up, encourage them to do so soon.

I need volunteers to make brownies. I have bought several boxes to distribute. If you can help, please let me know at Friday's meeting. They need to be cut and wrapped individually. I will also need help serving the food the day of the tournament and will be asking for volunteers to help with that.

Prayers are requested for Fred Roehlig. He is at home and receiving guest, but a ten minute visit is about all he needs. Please try staying no longer than that. I'm sure he would appreciate cards.
