eclipse!!

Hope everyone got to enjoy the

Where has this summer gone? The tournament, the BBQ chicken, the trip, school back in session, and there's 119 days until Christmas!!!!

Since I missed both August meetings, I don't have much to write about as far as they are concerned. So, I'll move on.

Saturday, August 26th was a sad day for the Lake Tansi Exchange Club, as we celebrated the lives of two very dedicated members. At 11:00 a Celebration of Life was held for Bob Murray at the Lake Tansi Community Church. What a great service and the wonderful memories that were shared were so very special. I hope Lillian realizes how he will be missed. I remember him coming out to the Christmas Party for the Stephens Center last year. It was dark and I was a little tired so I was leaving early. As I got to the parking lot, here came Bob. I was so impressed that he could

still see to drive after dark, and thought about how dedicated he was. I admired him.

Then at 1:00 on Saturday we celebrated the life of Fred Roehlig at the Hiwatha. I feel sure Fred's presence was with us as we celebrated in the fashion he would have wanted. There were fishing stories, golf stories, and card stories told that brought many laughs. There wasn't anything Fred wouldn't do for the Exchange Club. He was referred to as the "tent man", because if there was a tent to be put up, Fred was there. Of course, the chicken BBQ was his project. He loved doing that, and hopefully we can carry off the Fred Roehlig Chicken BBQ next year. He will be truly missed. We all hope Nancy joins us in the future. She would be a definite asset.
