LTEC meets the 1st & 3rd Fridays of each month at 7:30 AM at the Hiawatha Center

September 2016

August has come and just about gone. We saw some very hot dry days, and a few days of some much needed rain. It definitely feels like Fall is in the air.

At the August 5th meeting Fann and Charlie Burrus paid us a visit. It was good to see them.

The Fall Festival was discussed by Judi. We will have a booth to hand out literature to make people aware of our organization and the good we do in helping the community. A signup sheet was passed around to sign up for a two hour period to man the booth/table. There may be some spots available if you're interested. Judi would have that information.

Dennis Schloerke stepped forward to take on the Flag duty.

Jack Callahan stepped forward to fill the shoes  of Mike Ferry and will give the treasury job a whirl for at least six months. I feel sure he will be excellent.

The August 19th meeting was one of the best we've had. Our guest speaker was Andrea Held, RN, the Administrative Coordinator from Hospice. She answered so many questions about Hospice Care that I wasn't aware of, and addressed some of

the myths that I'm sure we've all heard. What a great program. Lisa Williams who is the coordinator for Hospice Volunteers was with Andrea, as well as the Director of Hospice, Ken Taylor who also answered several questions.

Brandi Mills from the Stephen's Center was with us and plans to attend our meetings as often as possible and help in any fundraising events that we have.

The Witherites and Gus Rogers were presented with their certificates of membership and welcomed to the group.
Sharon Kirtley joined us as a new member, (and immediately got put to work). She and I will be co-chairing the Soup and Salad dinner in September.

UPCOMING EVENTS:

The Fall Festival, September 9th and 10th.

Sunday, September 25th at 4:00 is the Appreciation Picnic. Meat and potatoes will be furnished, but everyone is asked to bring either a salad or dessert.

September 30th will be our Soup and Salad fundraiser, with a Chinese Auction.

The scarecrow event is also coming up the first of October. For those of you who saw the one we did last year ---- HELP. We thought we had a decent one until we got there and saw the elaborate ones being brought in on trucks.

Tidbits:

Tina Ferry was back with us after a good scare a few weeks ago. She's doing much better. Since the doctor won't let her drive yet, or lift much, Mike bought her a golf cart so her clubs can stay on it. "What a guy!"

Herb Pallatt was back from his travels, looking all fit and rested. Glad you enjoyed your vacation. You saw some beautiful country.

NEXT MEETING: This coming Friday, September 2nd, 7:30 a.m. There should be lots to discuss, so please attend. As you have discovered, my memory isn't the greatest, even when I make notes, so I may miss telling you something.

QUOTE FOR THE MONTH:

“All kids need is a little help, a little hope, and someone who believes in them.”

....Magic Johnson...

UNTIL NEXT MONTH, STAY COOL!!!
