APRIL 2018

Shall we hope Spring is well on the way? It seems that even with the cool/cold weather we've had, the blossoms are still showing their glory!!! My favorite time of the year.

We still have a lot of members who haven't found their way back to Tennessee for the summer, but hopefully they're on the way. It's been a rather depressing winter with all the rain, not much snow, but we're lucky all that rain wasn't snow or we'd still be digging out. Monday of this week, the 12th we had the most beautiful "Winter Wonderland" snow that lasted until about noon, then disappeared. That's why I don't mind the winters in Tennessee.

John held a meeting on the 15th at the POA conference room to discuss the Exchange Club Golf Tournament coming up in June. June 9th to be exact, if anyone wants to start thinking of putting a team together.

At the last meeting John announced that if anyone wanted to contribute a Boston Butt, or money to buy one, that I'd be cooking the BBQ for the tournament. What a great response. To date I have had about 16 butts donated. I've cooked several, but as I said you don't yield a lot out of an 8 or 9 pound butt. I think I've cooked 6 or 7 and have 15 pounds so far. As I cook them they are vacuumed sealed, so they will be fine for June. Thanks everyone for your response.

I'm sure everyone knows by now that we have a new golf pro with us. His name is Chris Mitchell, if you haven't had the opportunity to meet him. He and his wife have moved here from Scottsdale, Arizona. If you haven't met him, you might want to stop in the Pro Shop and say hello and welcome.

We had a good attendance at the March 16th meeting. Anna was back with us after several months being absent. And it's always good to see Betty grace us with her presence.

We had two new inductees, Nancy Roehlig and Paul Durland became our newest members. Welcome to the two of them. I'm sure you'll be put to work soon.

Ginger Wade has met with some members of the POA Board to discuss the possibility of starting a Welcoming Committee. There use to be one years ago but money got a little tight and it slowly vanished. There is a need for one here, that's for sure and she offered to do it as part of the Exchange Club. I think everyone thought it was a good idea, so John said it would be discussed at one of the Exchange Club's board meetings.
