FEBRUARY, 2018

IT IS COLD!!!!

Just in case you've been inside in your pj's the last few weeks, it is very cold outside. But Spring is just around the corner and with a new year, new beginnings of things to do to make the Lake Tansi Exchange Club successful another year.

To start off, Jerry Davenport will be doing an orientation at the February meeting, on February 2nd. The orientation is very informative and a definite MUST for new members, or old ones to refresh. Jerry does a very good job.

And a reminder that there will only be the one meeting in February. March goes back to two meetings a month. March 2nd and 16th, if I'm not mistaken.

April 27th will be the Spaghetti dinner and June 9th will be the golf tournament. So things will be gearing up here in March for sure. Stephanie Lilly has been named Project Coordinator and will be overseeing certain functions throughout the year, along with a project chairman as usual. So, don't be surprised if she asks you to step forward and help.

February 10th is the Mid-winter conference in Murfreesboro for anyone planning on attending. I had planned on going, but will be out of town, hopefully finding some warmer weather.

NOW, back to the members list. I've only received a few corrections, so let's see how this goes:

On Susan Dowell, it's a dash between the su and the bie. Su-bie. On the list I sent it looks like an underscore, but it's a dash.

On Thomas Griffion, the anniversary is 6/22

On Maureen Hyatt, her email is mdhyatt1957@gmail.com

On John Lyon, leave off the 788 number

On Betty Schoch, her phone number is 931-742-0185 (I had 0188)

That's all the corrections that were pointed out to me.

I'll try to add to your list as new members come in, or old ones leave. Thank you all.

AN IMPORTANT DATE TO REMEMBER: January 23rd, 9:00 AM at the POA conference room, the telephone books will be stuffed, and help is much needed. Please show up and let's get the job done.

I know there's been some illness these last couple of months, but hope everyone is on the mend. I visited Carolyn and Herb Pallatt yesterday. Herb is still doing pretty well. Of course, if you know Herb he always has a smile and ready to visit a minute. Carolyn is recovering nicely from her scary incident and the doctor gives her a good prognosis. Their daughter Kate is here enjoying this cold weather instead of sunny Florida, but is also enjoying spending time with her parents and helping in any way that she can.

We need to continue saying a prayer for those who are and have battling health issues.

QUOTE FOR THE MONTH:

“I don’t want to live in the kind of world where we don’t look out for each other. Not just the people that are close to us, but anybody who needs a helping hand. I can’t change the way anybody else thinks, or what they choose to do, but I can do my bit.”
.... Charles de Lint

Until Next time be safe, healthy, and happy!!!!
