September 2018

Did everyone enjoy the little taste of fall weather of fall weather we had on the 24th and 25th as much as I did? Summer is great and I got down to the beach with the grandkids a couple times this year, but I'm ready for the hot to be over!

Our meeting program for the first meeting in August was provided by Hospice of Cumberland County. Lisa Williams, Volunteer Coordinator and Community Outreach Services Coordinator and Desiree Roach RN, Hospice Transition Specialist both spoke covering services provided by hospice and the process for admitting a loved one to hospice. I think a number of us have some first-hand experience with the services hospice offers, if not here in Cumberland County, then wherever we moved here from or where are loved ones still reside. We don't like to think about it, but the services they provide are vital both for the terminally ill and their families.

At the second meeting in August, Tommy Griffin entertained us with stories of Lake Tansi in the early years. Tommy is an excellent storyteller and we really enjoyed hearing him speak.

Tim Witherite told us if there is someone you'd like to hear speak at one of our meetings let him know. He was having a tough time getting speakers he called to respond. Now all of a sudden the phone is ringing off the hook and he has more speakers than he knows what to do with. All of your suggestions are appreciated and he'll try to get them in.

August allowed us to relax and catch our collective breath from a busy July, with no major projects going on. But, don't get too comfortable, planning for the Soup and Salad dinner on September 28th is in full

swing and we still need chair persons for some of the jobs required for the One Nation under God breakfast on November 10th. Check with Judi Hartman to see what positions still need to be filled.

Sign-up sheets for Soups to be served and sweets to be sold and/or auctioned for the Soup and Salad dinner will be passed around again at the September 7th meeting in case you missed them at the last meeting.

Lake Tansi Exchange Club will be participating in the Veteran's Day parade downtown this year. We'll need to be down there immediately following the One Nation under God breakfast. Let Dennis Schloerke know if you plan to walk.

We'll be participating in the Lake Tansi Fall Festival again this year on September 14th and 15th. Sign-up sheets went around at the last meeting and will be circulated again at the September 7th meeting.

Planning is also underway for the Book of Golden Deeds dinner. John announced at the last meeting that Judi Hartman will be this year's recipient.

Les reminded us to sell, sell, sell those phone book ads. We're behind so far this year and if the phone book is going to raise the funds it normally does, we need to get busy.

Travelers heading off on the Alaska Cruise were treated to a "Bon Voyage" breakfast at the Hiawatha on Tuesday, August 21st. A big thanks to Gus and Sally Rogers for handling all of the clean-up!

Last, but not least, the member appreciation dinner is on Sunday, September 9th at 4:00PM at the pavilion beside the Hiawatha. A sign-up sheet went around at the last meeting so John will know how many steaks to buy. If you weren't at the meeting and still want to go, check with John Lyon to see if he's ordered the meat yet. In addition to the steaks the club will provide, everyone should bring a dish to share. Tim and I will be out of town and won't be able to attend, so if you take any pictures, send them to me and I'll try to get a few in the next Motivator.
