Exchange Club of Lake Tansi

February 2019

**Our Mission:** *Exchange, inspiring communities to become better places to live.*

**Our Vision:** *A strong America, safe communities, and unified people.*

**Our Motto:** *Unity for Service*

Well, January just flew by! The speaker at our one meeting in January was really interesting. In case you missed it, Wayne Schobel from the Art Circle Public Library told us about programs and volunteer opportunities at the library. The library publishes a directory of all of the activities (and there are a lot!) for the coming month every month. Wayne provided us a copy of the directory for January, as well as volunteer forms and information about the Friends of the Art Circle Public Library. The directories are available to pick up at the library until the end of each month. The library web site has all of the information, too.

Speaking of directories, we prepared the Lake Tansi phone directory for mailing on January 22<sup>nd</sup>. We had 16 volunteers, exchangeites and others and had them sealed in envelopes and loaded in trucks to transport to the post office in just over an hour, with only one paper cut reported. Ours arrived in our mail box the next day!

I neglected to mention in the last Motivator that we installed two new members in December. Welcome to Exchange, Jon Stewart and Mary Vesper! Both began volunteering before they were members and will be a great addition to our club.

Our one meeting in February is this Friday, February 1<sup>st</sup> at 8:00AM. As far as we know, the Hiawatha is good to go, but Tim will send out a meeting reminder later today or tomorrow to let everyone know for sure. We'll go back to two meetings a month in March. For February, our speaker will be Charles Strayer from Dave Kirk Chevrolet. He's going to tell us about the car giveaway that they do for a high school student with perfect attendance. We will also be installing new member Sue English.

A big thank you to Anna for taking on the task of organizing food for each meeting. None of us are going to waste away if we don't have food at our meetings, but it's nice to have a light breakfast before we begin. I'm not a morning person, so I don't get up early enough to eat before and it's almost too late for breakfast by the time we're done.

Finally, Wednesday, January 30<sup>th</sup> is the absolute last day you can register for Mid Winter Conference. Contact Sharon Howard by email - [slhh15@aol.com](mailto:slhh15@aol.com) if you would like to attend.
