March 2020

Our Mission: *Exchange, inspiring communities to become better places to live.*

Our Vision: *A strong America, safe communities, and unified people.*

Our Motto: *Unity for Service*

February blew through in a flurry of cold and snow. February 7th was cold and snowy for our first meeting of the month, but we managed to have 18 members in attendance plus past president Rex Rainey paid us a visit. Gary Dillon spoke to us about what the POA has been doing and maintenance projects planned for 2020. Our second meeting for the month was supposed to be held on February 21st, but Tim cancelled it due to weather concerns. I apologize again to those who didn't get the cancellation email. I forgot to forward it to the people Tim has been having trouble contacting by email. I think we have everyone's email corrected in his contacts except Nancy Roehlig and I still can't figure out what's going on with that but will keep working on it and forwarding in the meantime.

Lake Tansi Club had 6 members in attendance at the Mid-year Conference in Murfreesboro on February 8th. The speakers were interesting, and I think everyone in attendance enjoyed the conference. The Tennessee District Convention this year will be back in Murfreesboro this year June 5-6 at the Courtyard Marriott, so mark your calendars. Rooms will be at a premium this year because the 2020 CMA Music Festival will be going on in Nashville the same weekend and Murfreesboro hotels get a lot of overflow reservations from people attending the festival. Room prices will be slightly

higher this year as well because of the festival overflow. The convention committee has reserved a limited number of rooms at \$139 per night and when those are gone rates will be higher, so make your reservations early! <https://www.marriott.com/events/start.mi?id=1581631079295&key=GRP> Lake Tansi Club always has a large group attending, so let's keep it going.

The One Nation under God Breakfast was held Saturday, February 22nd at the Thunderbird Rec Center. We had a pretty good turnout considering the time of year. The breakfast will move back to it's traditional spot the Saturday before Veteran's Day on November 7th, so we'll have two this year. Ginger set up a display of the bricks to be installed in our Veteran's park and there appeared to be a lot of interest.

The first open Golf Tournament Committee meeting was held February 28th at 9:00AM in the POA boardroom. Judi and her team have things well underway. Linda has enough pork butts now. Thank you to all who contributed one or more.

Lake Tansi Exchange Club member Ashley Clark had heart surgery earlier this month. She's doing well and recovering at home. Get well cards can be sent to Ashley at 1222 Natchez Trace, Crossville, TN 38572.

Speakers coming up at our March meetings will be Terri Curran on March 6th and Gus Gocella on March 20th. Terri will speak about the 100th anniversary of women's suffrage and what's happening locally to celebrate, and Gus will speak about Honor Air. Both are passionate about their subjects and will be very interesting to hear.

Please continue to keep Pat Camachi in your thoughts and prayers. Pat has been moved from Cookeville to a nursing facility in Michigan closer to her family. Pat loves getting mail and is happy that her Exchange friends are still keeping in touch. If you'd like to drop her a note or send a card, her address is:

Pat Camacci
555 Highland Ave.

She would be happy to receive mail from any us, whether you know her well or not.
