**Our Mission:** *Exchange, inspiring communities to become better places to live.*

**Our Vision:** *A strong America, safe communities, and unified people.*

**Our Motto:** *Unity for Service*

This issue of the Motivator is going to be short and sweet, because as most of you know, Tim and I were hit with the Coronavirus in mid-August and were just getting over it at the time I would have been putting together the Motivator, so it's also going to be late. We would like to thank everyone who called to check on us and offer assistance. I have a hard time asking for help, but your offers were very much appreciated. And thank you for the cards we received as well.

Preliminary numbers look like the Golf Tournament was a huge success! Many thanks to all who pitched in and helped Judi Hartman and her committee of ladies make this a success! This event was vital, as we haven't been able to hold any other fundraising events this year.

Our next fundraising event will be a bake sale and lunch in conjunction with pecan sales in November. Since the lake Tansi Christmas Craft Show has been cancelled for this year, Judi was left

with no place to sell the pecans and other nuts that support the Tennessee district's scholarship fund. There are a lot of people who look specifically for the nuts at the craft show and begin asking about them in the fall, so we're going to try incorporating a bake sale and lunch and holding our own independent event. Start baking those quick breads and other baked goods and stashing them in the freezer so we'll be ready. The Lake Tansi Exchange Club Holiday Happening will be November 21<sup>st</sup> from 11AM to 1 PM.

Saturday, October 24<sup>th</sup> is Exchange National Day of Service. For Lake Tansi Exchange Club's service project, Judi Hartman contacted Dawn at the Stephens Center to see what their immediate needs are. We will be collecting diapers (any size), wipes, baby bottles, pacifiers and blankets (Judi will check for specific sizes) at both meetings in October to meet those needs. We'll try to set up a presentation on or about the 24<sup>th</sup> and get the Smoke Signals and the Chronical to cover it.

Another project our club is going to take on will be to provide a copy of the U.S. Constitution to each 8<sup>th</sup> grader at Brown Elementary. Judi Hartman (been hearing that name a lot lately!) found a group called the 917 Society whose sole purpose is to educate students about the Constitution (917society.com). They will provide, free of charge, booklets containing a copy of the U.S. Constitution for us to distribute. Judi has ordered the booklets. We'll let you know when we have the presentation set up.

Please continue to keep Pat Camachi in your thoughts and prayers. If you'd like to drop her a note or send a card, her address is:

Pat Camacci

She would be happy to receive mail from any us, whether you know her well or not.
