Our Mission: *Exchange, inspiring communities to become better places to live.*

Our Vision: *A strong America, safe communities, and unified people.*

Our Motto: *Unity for Service*

Holy cow! It's July already! The year is half gone and the Chicken Barbecue is upon us!

Our golf tournament June 5th was a huge success! Golfers and workers alike had fun, we had a beautiful day and the food was great. The club made \$13,940.89.....a new record!

The first club meeting in June was our annual presentation of our Joyce Ferry Memorial Scholarships. We had two outstanding winners this year. Both are graduates of Cumberland County High School and plan to attend University of Tennessee in Knoxville.

Johnathan Bailey plans to major in aerospace engineering with a minor in astrophysics. He has volunteered in the community throughout high school while taking advance placement and dual enrollment classes.

Abigail Han plans to major in pre-law. Abigail participated in a variety of extracurricular activities throughout high school, volunteered at her church and completed an Associate of Arts degree from Roan State Community College before she graduated.

Each of these deserving students received a \$2,000 scholarship.

At the second club meeting in June, we presented our annual community donations. We had five requests this year and were able to fill them all. Representatives from each of the organizations we support spoke briefly about how they serve the community. Donations went to Avalon Center (\$500), TAD (\$2,000), Salvation Army (\$500), Art Circle Teen Summer Reading Program (\$400), and The Stephens Center (\$15,000).

After the club's annual donations were distributed, Les Elam presented outgoing club president Tim Witherite with a plaque honoring his two years of outstanding service as club president.

The Exchange Club Annual Fred Roehlig Chicken Barbecue will be held on Sunday, July 4th. Everything is pretty well arranged at this point. If you want to volunteer and haven't signed up yet, you still can. Please get your pre-orders in, too. We are not getting quite as many chickens this year and once they're gone, they're gone, so don't miss out! As of right now the weather forecast calls for temperatures in the upper 70's so it shouldn't be too hot.

The **National Exchange Convention** will be held at the Peabody Hotel in Memphis, September 8-11. Registration is available on the National Exchange website. I can't wait to go back!

There will be no meeting on July 2nd since it's so close to the Chicken BBQ. The next meeting will be installation of officers on July 16th. Tennessee District Secretary, Nancy Britt will attend the meeting to do the honors and to share her club's experience with a Healing Field. Hope to see a big turnout!
